**Disclaimer :** I make the conversions into DMC, and other products with help of original brand thread cards or samples following my own taste of color and the feeling of what will go with that particular design, but I would like you to regard that the piece is designed for the use of the "original" materials and the effect and look can be quite different if you use other materials or other people's conversions. I am not responsible if you do not like the look of the conversion materials. If you want the piece to look the same, use the same :) The Pewter Peacock in the center was a limited embellishment for the time of the online Mystery of this chart only. It is no longer available but there is a stitched and beaded center design provided in this chartpack. please visit the home of the Châtelaine Mysteries and Online Classes :
