Zweigart Belfast 3609 14/28 or 16/32 count linen white, cream, unbleached, black.. or whatever is your favourite for the background color.	Design size = 293 x 293 stitches - this is the mere design size, add free fabric to your own requirements ! As there will be some areas of rather dense beading, it may help to choose the 14 count. If you are an experienced beader, you surely can "tweak" the placements of the very uniform Delica beads in such a matter, that the pattern is smooth and the beads "fit". As well the 14 count can be helpful if you decide to stitch the Butterflies "over one". It is up to you and your skills.....

Disclaimer : Please regard that I make my conversions from the originally used and chosen materials with help of original brand thread cards + full skeins of variegated threads - but following my own taste of color and the feeling of what will go with that particular design rather than using so-called "official" conversion charts. The piece is designed for the use of the "original" materials (variegated silks etc) and the effect and overall look can be quite different if you use other materials.

I do not endorse -any- of the nowadays offered "conversion packs" by some thread dyers as they rarely are made by comparison to the original materials I chose and which I have on my desk here "in person". Nor do I support ANY other "comparable" threads which are dyed following my choice of materials + then offered in forums etc. as conversion for a particular Châtelaine design !

If you wish to use different materials feel free to do so, but please follow your own feelings, eyes and taste of color rather than buying "bulk" conversions !!

I am not responsible if you do not like the look of the conversion materials. If you want the piece to look the same, use the same :)

Thread approximations regarding used amounts are made with a software and may vary depending of the personal stitching habits. They are an *approximation* only !
