Thread	Color	Substitute DMC
Linen : Zweigart Belfast 3609 / 323 <b><u>Purchase enough fabric for a free edge surrounding the design !!</u></b> Design size : 290 x 290 stitches 46.0 x 46.0 cm at 16ct 52.6 x 52.6 cm at 14ct  18.1 x 18.1 inches at 16ct 20.7 x 20.7 inches at 14ct		

**Disclaimer :** I make the conversions from the originally used and chosen materials into DMC, Mill Hill and Kreinik products with help of original brand thread cards and samples of the beads and braids but following my own taste of color and the feeling of what will go with that particular design rather than using so-called "official" conversion charts, but please regard that the piece is designed for the use of the "original" materials ( variegated silks etc) and the effect and overall look can be quite different if you use other materials.

As well the size of the Mill Hill Beads is different to the Delica beads.

If you read a "no Match" in the conversion rows it is because whether the variegation is too diverse ( then I choose ONE color out of those for this design ) or Mill Hill/Kreinik do not have this particular shade or finish....

I do not endorse *any* of the nowadays offered "conversion packs" by some thread manufacturers as they rarely are made by comparison to the original materials I chose.

If you wish to use different materials feel free to do so , but please follow your own feelings, eyes and taste of color rather than buying "bulk" conversions !!

I am not responsible if you do not like the look of the conversion materials.

If you want the piece to look the same, use the same :)
