Disclaimer : I make the conversions into DMC, Mill Hill and Kreinik products with help of original brand thread cards and samples of the beads and braids following my own taste of color and the feeling of what will go with that particular design, but I would like you to regard that the piece is designed for the use of the "original" materials (variegated silks etc) and the effect and overall look can be quite different if you use other materials. As well the size of the Mill Hill Beads is different to the Delica beads.

I am not responsible if you do not like the look of the conversion materials.
 If you want the piece to look the same, use the same :)
