Disclaimer : I make the conversions from the originally used and chosen materials into DMC, Mill Hill and Kreinik products with help of the original brand thread cards and samples of the beads and braids but following my own taste of color and the feeling of what will go with that particular design rather than using so-called “official” conversions, but please regard that the piece is designed for the use of the “original” materials (variegated silks etc) and the effect and overall look can be quite different if you use other materials. Size and shape of the Mill Hill Beads is very different to the Delica beads too.

I do not endorse *any* of the nowadays offered “conversion packs” by thread manufacturers or shops as they are rarely made by comparison to the original materials I chose for my designs. If you wish to use different materials feel free to do so , but please follow your *own* feelings, eyes and taste of color rather than buying “bulk” conversions !!I am not responsible if you do not like the look of the conversion materials.If you want the piece to look the same, use the same :)
