Mere Design size = please add enough "free fabric" on all side to allow for framing ! Design size = 160 x 238 stitches 10.0 x 14.9 inches at 16ct	Fabric : Zweigart 32/16 count linen Belfast # 3609	Black would be stunning ! But if you rather not stitch on black, do a "floss toss" on cream, soft rose...beige..natural...

Disclaimer : I make the conversions from the originally used and chosen materials into DMC products with help of the original brand thread cards and samples of the beads and braids but following my own taste of color and the feeling of what will go with that particular design rather than using so-called "official" conversions, but please regard that the piece is designed for the use of the "original" materials (variegated silks etc) and the effect and overall look can be quite different if you use other materials. I do not endorse any of the nowadays offered "conversion packs" by thread manufacturers or shops as they are rarely made by comparison to the original materials I chose for my designs. If you wish to use different materials feel free to do so , but please follow your own feelings, eyes and taste of color rather than buying "bulk" conversions !!! am not responsible if you do not like the look of the conversion materials.If you want the piece to look the same, use the same :)
